CELEBRITY MASTER CHEF VIKAS KHANNA SAYS "ITM IHM TRULY PERSONIFIES THE SPIRIT OF HOSPITALITY"

Hotel Management, Travel & Tourism and service industry careers have become highly sought-after careers for millions of young professionals in India. The industry has changed significantly, offering high salaries, stability and career growth. In fact, students with hospitality degrees are in high demand, not just in hotels, but also from a variety of companies in the service industry.

Established in 2002, ITM Institute of Hotel Management has been the choice of thousands of successful hospitality professionals, who benefitted from the cutting-edge curriculum, extensive industry connections, top-notch placements and an exciting and fulfilling experience. With a passion for developing full-trained and versatile hospitality professional that exceed industry expectations, ITM IHM has become the preferred recruitment partner of India's top hotel chains. In 2011, Competition Success Review Magazine rated ITM IHM as the No. 1 Hotel School in India!

Realising that hospitality graduates are looking beyond careers in hotels, ITM IHM has collaborated with industry partners and global institutions to develop advanced programs in hospitality and services management. This provides our students with opportunities in different

industries and sectors beyond the hotel industry. What's more, ITM IHM really focuses on personal grooming, soft skills, language abilities and professional development - delivering a comprehensive and well-developed educational experience to students. ITM IHM's degree programs in hospitality are highly respected and valued by the industry. Affiliated to Mumbai University, the Institute offers a three-year B.Sc Hospitality Studies program, as well as a highly respected B.A. International Hospitality Management program in collaboration with Queen Margaret University, UK. Both programs include co-curricular activities, including industry visits, training programs; extra-curricular activities and a whole lot more.

STATE-OF-THE-ART CAMPUSES

The only way to excel in the field of hospitality is to train and study in an environment that reflects the state of the hotel industry. ITM IHM has launched a brand new campus in Navi Mumbai that features luxurious classrooms; spacious fully equipped labs including 4 kitchens, a demo kitchen, 2 restaurants, a large cafeteria, extensive library and more. ITM IHM's Oshiwara campus, which was launched in 2011 is yet another state-of-the-art facility, equipped with the same high standards in its numerous labs, classrooms and student amenities. In 2013, ITM Group has partnered with The Federation of Hotel and Restaurant Associations of India (FHRAI) to create the newly launched ITM-FHRAI Institute of Hospitality and Management, located in Greater Noida. ITM-FHRAI Institute has a beautiful, expansive campus with on-campus hostels and the latest in amenities.

DUAL DEGREE

In keeping with the demands of in-

dustry and the needs of students, ITM IHM now offers a dual degree certification. The dual degree program combines ITM - IHM Bachelors Degree in International Hospitality & Tourism Management, offered by Queen Margaret University, UK along with an UGC approved Indian University. This dual approach gives students a highly valuable additional certification, resulting in more career options!

Is Hospitality Management the career option for you?

"Students and parents often ask us whether a career in hospitality is a good option for them. To help them make an informed decision, we regularly conduct a 'Campus Day' at ITM IHM, where they can experience firsthand how it feels to study hospitality and what the career prospects are" says Prof. Ruchita Verma, Director of ITM IHM. "We encourage students and parents to see our state-of-the-art new campuses in Nerul and Oshiwara; meet our students and faculties, and understand just why ITM IHM is the most respected Hospitality Institute in India"

For prospective students and parents, ITM IHM is now accepting registrations for its upcoming Campus Days. To register and receive an invitation, contact the Institute as below. ITM IHM is a part of the ITM Group of Institutions, established in 1991. Across 15 campuses in India, ITM Group educates over 7200 students a year.
