ITM convocation held

Chennai: The 19th convocation of the Institute for Technology and Management (ITM) was held on Sunday.

Attending the ceremony, Tamil Nadu governor K Rosaiah said that with India’s robust growth in all sectors, there is a huge demand and ample opportunities for managers.

“AICTE data reveals there are 3,844 approved management institutes with an intake of 3,85,008 students in 2012-13. India has emerged as a major hub, with the IT, automobile, health and pharmaceutical industries setting up facilities in India,” he said.

Rosaiah congratulated the institute for being ranked highly by several magazines and the All India Management Association. Lakshmi Mohan Iyer, the deputy director and a professor of the institute, said that there were 95% placements this year, and they had attractive packages too. “The highest cost to company (CTC) given by an Indian company was ₹7.5 lakh and the average was ₹4.17 lakh,” she said.
